Dear Parents,

The school board of St. Nicholas Academy invites all parents to participate in a forum regarding the direction of St. Nicholas Academy. Two meetings will be offered on March 8 or March 9 (information below). Prior to that, we would like to gather some information so that we can best facilitate communication. A short questionnaire is listed below and on our website.

1. What factors should the board consider to influence the direction of St. Nicholas Academy?
2. What is your primary concern regarding the direction of St. Nicholas?
3. What is your preferred format for receiving information from the board – newsletter, website, church bulletin, formal letter?
4. Would you be interested in serving on the board of St. Nicholas Academy?
