

Spring 2010

Dear Future 8th Grader and Parents:

You are required to **read 2 books** over summer break. Here are the requirements:

You will need to **choose 1 novel written by S.E. Hinton** to read over the summer. *The Outsiders* may NOT be one of the books you choose and the North campus may NOT use *That was Then, This is Now* (because it was read in school).

You will also need to choose **1 of the books off of the Junior High Book Bee list.**

You do not need to purchase your own copies of these novels; you may just check them out of the public library if you wish. You will need them when we return to school in August for the first few weeks.

Note that there's no packet of questions for you to complete, we will work on some type of presentation of the novels when we return in August. You DO NEED to **keep a paragraph summary** on each chapter of your books. I highly suggest getting a notebook to do this. This will keep it more organized!

This is not meant to be torture!!! Read anywhere... at the beach... at the park... at night... in the car... have fun with it!

Have a wonderful, safe summer and we'll see you soon!
