Dear Parents,

Welcome to kindergarten! We have lots of wonderful things planned for your child and can't wait to meet him or her. Throughout the year, there may be additional supplies needed to fit the needs of each homeroom, which you will be notified of through the class newsletter. Please make sure your child's name is on all of his/her supplies including jackets, sweaters, sweatshirts, etc.

Thank You!
The Kindergarten Teachers

Each summer, the Louisville Free Public Library has a summer reading program. To build upon the reading skills learned this year and to continue to foster a love of reading, we are asking all the students in kindergarten and first grade to participate in this program. The children will read 10 books on his/her own reading level and record them on the reading folder provided at your local library. Students who return the completed folder to their new teacher next year will receive a reward and special recognition.
